

# LENOVO YOGA TABLET 10 HD+

## POSITIONING STATEMENT

The YOGA Tablet 10 HD+ takes the original 10-in tablet and elevates the multimode experience with enhanced features including a new Full High Definition screen, a Qualcomm Snapdragon processor, a high resolution rear camera, Lenovo DOit apps and more. It also features a new Smart Display that automatically adjusts the image qualities on the screen to ambient light. At the same time, the new tablet retains the features users know and love such as its incredible 18 hours of battery life and its three unique modes.

## KEY FEATURES

- Unique multimode design with three usage modes: Hold, Tilt and Stand
- 10-inch Lenovo 20/20 Vision Full HD display with multi-touch & 178° wide viewing angle
- Extended battery life with up to 18 hours on a single charge
- Qualcomm® Snapdragon™ Quad Core 1.6GHz processor
- High resolution 8MB rear camera
- Optional accessories, including a Bluetooth® keyboard cover, colored sleeves and a MiraCast Dongle to connect to a television
- Preloaded with DOit app series: SHAREit, SYNCit, SECUREit and SNAPit camera
